

M/s GLOBAL CHEMICALS & MAINTENANCE SYSTEMS LLC
LIST OF PAST EXPERIENCES - OPERATION & MAINTENANCE

S. No	Project	Contract Period		Client
		From	To	
1	O & M of Rural Power Stations, Sharkiya Region	1997	2004	Ministry of Housing, Electricity & Water, Sultanate of Oman
2	O & M of Power Stations, Mudai & Shasir	2001	2003	Ministry of Housing, Electricity & Water, Sultanate of Oman
3	Services of Engineers and Operators to Maintain and Operate Power station in Salalah	2002	2003	Dhofar Power Company, Salalah Sultanate of Oman
4	O & M of Power stations, Raysut A & B	1992	2003	Ministry of Housing, Electricity & Water, Sultanate of Oman
5	O & M of Thumrait & Haloof Power Station	1999	2003	Ministry of Housing, Electricity & Water, Sultanate of Oman
6	Extension of Shasir Power Station 2x1000KW Gen.Set Relocated from Sharkiya to Shasir Power Station, Dhofar Region Erection, Testing & Commissioning.	2002	2002	Ministry of Housing, Electricity & Water, Salalah, Dhofar Region
7	O & M of Power Stations Al Hallaniate	1997	1999	Ministry of Housing, Electricity & Water, Sultanate of Oman
8	O & M of Hasik Power Station	1997	1999	Ministry of Housing, Electricity & Water, Sultanate of Oman
9	O & M of Rural Desalination Plant, Sharkiya (Ruweis, Assela, Ras Al Hadd)	1995	1998	Ministry of Housing, Electricity & Water, Sultanate of Oman
10	Operation, maintenance and repair of Eight reverse osmosis desalination plants and diesel generators at Wusta and Sharkiya Regions	1989	1991	Ministry of Housing, Electricity & Water, Sultanate of Oman

M/s GLOBAL CHEMICALS & MAINTENANCE SYSTEMS LLC
LIST OF PAST EXPERIENCES - OPERATION & MAINTENANCE

S. No	Project	Contract Period		Client
		From	To	
11	Operation, maintenance and repair of Nine diesel generators at Dakhliya and Sharkiya Regions	1988	1991	Ministry of Housing, Electricity & Water, Sultanate of Oman
12	Operation, maintenance and repair of reverse osmosis water desalination plants, Diesel generators & Water and power distribution for Kuria muria Islands	1987	1990	Ministry of Housing, Electricity & Water, Sultanate of Oman
13	Operation, maintenance and repair of 5 diesel power plants in Batina Region.	1985	1988	Ministry of Housing, Electricity & Water, Sultanate of Oman
14	Operation and maintenance of 72MW Rolls Ryce and General Electric gas turbines and sub-stations.	1985	1988	Ministry of Electricity and Aviation, Jeddah, KSA
15	Maintenance and repair of Biomedical equipment and physical plants.	1984	1987	King Abdul Aziz university Hospital, KSA
16	Maintenance and repair of building, facilities and utilities.	1983	1985	Jedda International Campus School, Jeddah, KSA
17	Technical Translation	1983	1985	Mitse Engineering and shipbuilding, Japan
18	Operation and maintenance of Diesel power generators, water wells and pumping equipment, waste water storage, chlorine injection plant and 45KM	1983	1985	Ministry of Municipal and Rural Affairs, Municipality of Hail Area, Al Hemema Water project, KSA
19	Operation, maintenance of 72 MW Rolls Ryce and GE Gas Turbines	1981	1989	Ministry of Electricity and Aviation, Jeddah Air Defence Institute, KSA
20	Operation and maintenance of 2x500,000 GDP multi-stage desalination plants, oil fired boilers, fuel and acid storage, sea water intake systems.	1981	1984	Jeddah Ports Authority, Islamic Port, Jeddah, KSA

M/s GLOBAL CHEMICALS & MAINTENANCE SYSTEMS LLC
LIST OF PAST EXPERIENCES - OPERATION & MAINTENANCE

S. No	Project	Contract Period		Client
		From	To	
21	Operation, maintenance of 2x5 MGD multi-stage desalination plants, boilers water and fuel storage systems, Sea water intakesw and associated equipments.	1981	1983	Mitsu Engineering and Shipibuilding Co. KSA
22	Operation, maintenance and repair of diesel generators, 15 T/D ice making machines, cooling towers and associated equipments.	1980	1984	Ministry of Electricity and Fisheries, Masirah Island, Sultanate of Oman
23	Operation, maintenance, repair and cleaning of stadium, gymnasium, youth hostel, swimming pool, water towers, deep well, sub-stations, transformers.	1980	1987	General Presedency of youth, Welfare, Hail, KSA
24	Laboratory testing of potable and waste water.	1980	1981	Ministry of Defece and Aviation, King Abdul Aziz Int.Air Port, KSA
25	Operation, maintenance and repair of 2x20MW Rolls Royce Gas turbines, sub-stations, switchgear.	1978	1984	Ministry of Defece and Civil Aviation. KSA
26	Operation, maintenance and repair of diesel generagors. Multi-stage desaliantion plants, diesel fired boilers, water and power distribution system.	1976	1984	Ministry of Electriciy and water, Masirah Island, Sultanate of Oman.
27	Global management in association with Conam services, directed the mobilization. O&M of the power and desalination facilities.	1970	1978	Ministry of Agriculture and Water, Jeddah, KSA
28	Operation, maintenance and repair of facilities and equipment, including desalination, power generation, sewage treatment, tank farm operation, water and power distribution, medical services and hospital maintenance, roads, grounds nad communications.	1963	1974	US Government Department of Air Force, Wake Island, Mid Pacific.
